**Compatibility** – PCs, Macs, Apple & Android Phones and Tablets. Microsoft Windows, macOS, and Linux.

## TESTIMONIALS

“Everything went smoothly. After doing 10+ remote depositions over the last two months, I wish to never go back to in-person depositions.”

– Maria H Chaves-Hawley, Attorney, GEICO responding to a TechValidate survey about online proceedings

“This is a new process for everyone. I feel that Esquire took the time to focus on training to make the process very user friendly. I’m a senior lawyer, and frankly, I have not embraced technology in my business. Because of the investment Esquire put into the process, I have embraced the remote deposition process.”

– R Patrick White, Attorney, Kershaw White LLC responding to a TechValidate survey about online proceedings

“Esquire has been very helpful and accommodating. It’s been easy to schedule remote depositions, and the staff is very helpful.”

– Liz Sanchez, Corporate Staff, Teachers Retirement Systems of the City of NY responding to a TechValidate survey about online proceedings
